MANCHESTER AREA CROSS COUNTRY LEAGUE RESULTS AFTER FOUR MATCHES

NB – in the event of a tie at the end of the Season where tied Clubs have competed in all five matches, the positions of the last scoring placed runner for each of the tied clubs during the season will be used, i.e. the Club whose last placed scoring runner is closest to the race winner will take precedence. In the event of a tie where one Club has competed in five races and another Club in four, the Club scoring in five will take precedence. The same principle applies to all the categories.
