

Dear Parent,

Following the recent letter that we sent home regarding competitions, please find attached a list of the forthcoming fixtures that we intend to participate in. Many clubs are yet to finalise their dates so please continue to check the Notice Board, Website and Facebook for changes.

Whilst there is a competitive element to the events we want to try and build a team spirit throughout 2011 so that the young athlete's enjoy the experience and want to attend again.

The age criteria for Track & Field isn't straight forward as the age group is determined by the athlete's age on 31st August. For example, pupils in Year 6 will be 11 years old by 1st August and therefore will compete at Under 13's throughout the summer. Please speak to the Team Manager to clarify this before entering an event.

Some Open Events will allow Under 9's to compete and can be entered on the day, so please check the relevant clubs web site for further details.

Please discuss the events with your Coach and then make your interest known to the nominated Team Manager so that they can arrange to meet your athlete on the day and show them how it all works.

We look forward to seeing you out and about throughout the year and wish you every success.

Best Wishes

The Coaching Team
