Notes

Points are awarded based on the age graded adjusted race times. See individual race sheets for the differences.

Training points will be calculated at the end of each month based on the subs sheets. If you don't pay your session subs (Coach's excluded), you don't get the points!

Anyone whose club membership is not paid up to date will score 0 points until they become members again.

Please see the Championship Rules for all other information. All queries should be emailed to ayoung@demuto.eu. The committee's decision on any interpretation of the rules is final.

Please bear in mind that this is a new system and we are doing our best to bed it in without problems. Thanks Ant
